

**Job Title:** CNC Maintenance Engineer  
**Division:** WEC Machining  
**Reporting to:** CEO  
**Hours of work:** Monday – Friday 7:30am – 4:30pm

Established for over 40 years and now one of the North West's leading & multi award winning **Engineering** companies, WEC Group is looking to recruit an experienced and enthusiastic **CNC Maintenance Engineer** to join our Maintenance Team at WEC Machining, based in Blackburn.

This is a fantastic opportunity for an experienced and motivated **CNC Maintenance Engineer**, who wishes to progress within a dynamic and rapidly expanding engineering firm.

### Responsibilities

---

- Perform regular preventative maintenance on CNC machinery to uphold optimal performance standards.
- Diagnose and troubleshoot mechanical, electrical, and hydraulic issues promptly.
- Execute timely repairs and replacements of faulty components to minimize production downtime.
- Collaborate closely with production and engineering teams to address specific machinery issues and optimize performance.
- Maintain accurate records of maintenance activities, including detailed logs, reports, and documentation.
- Source and order spare parts as required, while managing an organized inventory effectively.
- Stay abreast of industry advancements and emerging technologies to continually enhance machine performance.

### Knowledge, Skills, Experience

---

- Proven experience as a Maintenance Engineer, with a specialization in CNC machinery.
- In-depth knowledge of CNC machinery operations, encompassing mechanics, electronics, and hydraulics.
- Strong troubleshooting and problem-solving abilities.
- Proficient in reading and interpreting technical manuals, blueprints, and electrical schematics.
- Skilled in using maintenance tools and equipment.
- Excellent attention to detail with a proactive approach to maintenance.
- Strong communication and teamwork skills.
- Relevant technical certifications or degrees are advantageous.

### Working Location/Environment

---

Based in Blackburn but may be required to travel to other divisions using company transport.

### Company Benefits

---

- 25 days holiday plus bank holidays
- Company profit share scheme
- Refer a friend scheme
- Cycle to work scheme
- Death in service award
- UK healthcare scheme
- Employee benefit loan scheme
- Free car parking
