

HSE OFFICER

VACANCY: Health, Safety and Environmental Officer

LOCATION: Rotherham, S60 (Close to Meadowhall, Sheffield)

ABOUT US:

MTL Advanced is a Yorkshire-based steel engineering and manufacturing company operating from a 300,000 sq. ft. facility in Rotherham.

We have invested in an extensive range of technology and equipment and provide services to a range of OEM's from leading industries including defence, security, construction, quarrying, recycling and rail.

Our inhouse capabilities include, large format Laser Cutting and Press Braking, CNC Precision Machining, Fabrication & Welding, Shot Blasting, Painting and final Assembly.

You'll play a pivotal role in our Quality Team, providing visibility and interface to ensure our operations uphold the highest standards of health, safety and environmental compliance. Your expertise will be key in safely and efficiently executing complex, high-profile projects.

As the HSE Officer, you will work in collaboration with colleagues and the wider business to facilitate high performance delivery through successful implementation of processes and systems in a sustainable manner. You will deliver high risk audits, providing advice and recommendations of improvement to ensure all responsibilities associated with the Health, Safety and Environment are adhered to. This role is to support the achievement of the overall aims and objectives of department, and strategic aims of the business.

ABOUT THE ROLE:

- Ensure that the Company is adhering to all relevant Health and Safety legislation that support ISO 18001
- Co-ordinate and assist the Management Team with the Company's Health and Safety Annual Plan
- Support and train Managers with the implementation of Risk Assessments
- Support and train team members and other staff in using the relevant FLT's, cranes and handling equipment to ensure safe working practices
- Co-ordinate accident investigation, record and graph all accident data and to use the data to promote a no accident environment and culture
- Monitor and amend the OHS Policy to ensure that the stated commitments are undertaken and the results passed to Senior Management and are actioned
- Ensure provision of occupational health & safety data for equipment and products used within the business
- Ensure adequate First-Aid provisions are made and accident investigation/recording and reporting requirements are met
- Ensure Emergency Plans and Evacuations are developed and practiced
- Provide written/pictorial guidance to communicate company policies and procedures to all persons
- Liaise with the enforcing authorities to ensure compliance with fire, occupational health, safety and welfare legislation as is necessary

ABOUT YOU:

- NEBOSH Qualification
- PTLLS Qualification
- Previous Health & Safety knowledge and experience along with FLT / Noise / COSHH
- Knowledge of Safe Lifting & Slings requirements
- A flexible approach to be able to adapt to changing and challenging requirements
- Excellent interpersonal and communication skills with the ability to communicate at all levels
- Ability to remain focused on Quality and consistently reiterate its importance to others

HSE OFFICER

- Strong problem-solving skills and the ability to generate innovative concepts and ideas

WHAT WE OFFER:

- A culture of shared values, goals, attitudes and business growth
- Competitive salary
- 33 days holiday (including statutory Public Holidays)
- Secure onsite free parking
- Life Assurance plan (Death in Service)
- Monthly Prize Draw
- Company pension plan
- Costco Membership
- Reduced gym membership
- Healthcare Scheme
- Colleague Referral Programme: we pay you for successfully referring people to join our team.
- Companywide initiatives to share in our future success.
- A blend of training to support your career development.

WORKING HOURS:

- Monday – Thursday 0700-1600
- Friday 0700-1500

We know that our people are the most important asset to MTL Advanced, and we are looking for skilled, passionate and driven professionals to work with our inspirational leaders, promote our culture and enable change. Part of the WEC Group, with expertise across the manufacturing industry, a leading UK facility, innovation and investment make MTL a great choice for your career.
