

QUALITY INSPECTOR

VACANCY: Quality Inspector

LOCATION: Rotherham, S60 (Close to Meadowhall, Sheffield)

ABOUT US:

MTL Advanced is a Yorkshire-based steel engineering and manufacturing company operating from a 300,000 sq. ft. facility in Rotherham.

We have invested in an extensive range of technology and equipment and provide services to a range of OEM's from leading industries including defence, security, construction, quarrying, recycling and rail.

Our inhouse capabilities include, large format Laser Cutting and Press Braking, CNC Precision Machining, Fabrication & Welding, Shot Blasting, Painting and final Assembly.

Join our team of experts as a Quality Inspector where you will be responsible for inspecting manufactured components and fabrications to customer and/or internally designed drawings / CAD models.

With your experience and understanding in quality engineering, you will play a vital role ensuring continuation of our excellent production of metal products and will successfully verify machined parts and fabricated assemblies.

In this key position, you'll take an active role in ensuring we deliver outstanding quality products, first time, every time.

ABOUT THE ROLE:

- To follow the Inspection Plan set by the Quality Manager
- Conduct effective inspections using the equipment available in a timely manner
- Create inspection reports, on all components and fabrications.
- Liaise with the Quality Engineers, where required
- Conduct monthly internal calibration of measurement equipment to the calibration schedule and maintain the calibration register and records

ABOUT YOU:

- Previous quality / inspection experience in a metal engineering manufacturing environment
- Strong knowledge using the following methods;
 - Measuring arms (Faro or other)
 - CMM (Coordinate Measuring Machine)
 - General handheld equipment (Vernier, Tape, Rule, Bevel Box etc.)
- Knowledge of problem-solving techniques
- A flexible approach to be able to adapt to changing and challenging requirements
- Excellent interpersonal and communication skills with the ability to communicate at all levels
- Ability to remain focused on Quality and consistently reiterate its importance to others
- Strong problem-solving skills and the ability to generate innovative concepts and ideas

QUALITY INSPECTOR

WHAT WE OFFER:

- A culture of shared values, goals, attitudes and business growth
- Competitive salary
- 33 days holiday (including statutory Public Holidays)
- Secure onsite free parking
- Life Assurance plan (Death in Service)
- Monthly Prize Draw
- Company pension plan
- Reduced gym membership
- Healthcare Scheme
- Colleague Referral Programme: we pay you for successfully referring people to join our team.
- Companywide initiatives to share in our future success.
- A blend of training to support your career development.

WORKING HOURS:

- 37.5 hours per week
 - 0600-1400

We know that our people are the most important asset to MTL Advanced, and we are looking for skilled, passionate and driven professionals to work with our inspirational leaders, promote our culture and enable change. With expertise across the manufacturing industry and a leading UK facility, innovation and investment make MTL a great choice for your career.
