Testimonial

Don't just take our word for it, here is a quote from one of our members of staff...

Jonny, 29 year old Charge Hand/Welder Fabricator Start Date: Sep 2014

"I chose to work at WEC Group as it was a local, well established and successful engineering company that provided a good apprenticeship scheme in welding & engineering. I have recently been working on various welding & fabrication projects for the nuclear and military sector.

The benefits I enjoy the most is the variety of jobs I can work on and the ability to learn new skills."
