

WELDER

VACANCY: Welder

LOCATION: Rotherham, S60 (Close to Meadowhall, Sheffield)

ABOUT US:

MTL Advanced is a Yorkshire-based steel engineering and manufacturing company operating from a 300,000 sq. ft. facility in Rotherham.

We have invested in an extensive range of technology and equipment and provide services to a range of OEM's from leading industries including defence, security, construction, quarrying, recycling and rail.

Our inhouse capabilities include, large format Laser Cutting and Press Braking, CNC Precision Machining, Fabrication & Welding, Shot Blasting, Painting and final Assembly.

We are looking to welcome an experienced Welder to join our skilled team and perform Welding activities on some of the UKs well known products. You will master a variety of techniques on a wide range of components; carbon steel, armour steel, and aluminium. The majority of the work will be MIG welding where your dexterity and hand-eye coordination will help to make welds clean and precise.

ABOUT THE ROLE:

- Perform welding activities on carbon steel, armour steel, aluminium
- Weld various joint configurations in all positions
- Ensure equipment parameters are set to the optimum to fully satisfy weld quality, integrity, and WPS requirements
- Review engineering drawings for parts to be welded
- Satisfy production schedules to the correct quality level and within the specified time scale
- Carry out and record the daily / weekly / monthly maintenance checks and record the necessary safety checks
- Ensure correct marking up of component parts
- Ensure that the labelling system is adhered to

ABOUT YOU:

- Recent / relevant Welding / Fabrication Experience
- Understanding of quality procedures and specific customer requirements
- Ideally a coded welder
- Advanced knowledge of engineering design and manufacturing procedures
- Proficient with metal fabrication tools
- Advanced mathematical and engineering skills
- Ability to lift and manipulate large metal objects
- Excellent interpersonal and communication skills with the ability to communicate at all levels
- Ability to remain focused on Quality and consistently reiterate its importance to others
- Strong problem-solving skills and the ability to generate innovative concepts and ideas

WHAT WE OFFER:

- A culture of shared values, goals, attitudes and business growth
- Competitive salary

WELDER

- Night attendance allowance
- 33 days holiday (including statutory Public Holidays)
- Secure onsite free parking
- Life Assurance plan (Death in Service)
- Monthly Prize Draw
- Company pension plan
- Reduce gym membership
- Healthcare Scheme
- Colleague Referral Programme: we pay you for successfully referring people to join our team
- Companywide initiatives to share in our future success
- A blend of training to support your career development

WORKING HOURS:

Rotating 2 shift

- Week 1
 - Monday-Friday
 - 0600-1400
- Week 2
 - Monday-Thursday
 - 2000-0600 (Thursday 2030-0600)

We know that our people are the most important asset to MTL Advanced, and we are looking for skilled, passionate and driven professionals to work with our inspirational leaders, promote our culture and enable change. With expertise across the manufacturing industry and a leading UK facility, innovation and investment make MTL a great choice for your career.
