

Job Title: Welding Instructor
Department: WEC Group Training Academy (MTL Rotherham)
Salary: ****Very Competitive****
Hours of work: Mon- Friday 40 Hours.
Location: MTL Advanced, Rotherham

Would you like the opportunity to inspire and mentor the next generation of Engineers here at the WEC Group?

Having invested over £3 million pound into state-of-the-art facilities, we are now proud to announce we are one of only a few employer providers within in our industry investing heavily in the future of engineering.

The WEC Group have been delivering apprenticeships in Welding & fabrication since 2006 and have had major success in the delivery of said apprenticeships. In the role we are recruiting for, you will be delivering the L3 Plate Welder apprenticeship.

To ensure we remain successful we strongly believe investing in all our staff and strive for continuous professional development for all the academy team. We will ensure the successful applicant will receive and retain a CSWIP Assessor and Instructor qualification fully funded by the academy.

WEC Group has been established for over 45 years and we are one of the UK's leading & multi award winning engineering, fabrication and machining companies.

This is a fantastic opportunity for a skilled Welder/ Fabricator to pass on their skills to our Apprentices and help to 'Develop the Next Generation of World Class Engineers'.

Responsibilities

- To assist delivering the Level 3 Plate Welder standard to the Apprentices.
- Ensuring we have a Smooth onboarding process for all new apprentices
- Instruct and train apprentices in several Welding & fabrication techniques
- Assess Apprentices progress and provide constructive feedback to facilitate skill development and improvement
- You will assist with monitoring and maintaining workshop standards with respect.
- Maintain training facilities and equipment in line with Health & Safety policies to ensure optimal functionality and safety for our apprentices

Required Knowledge, Skills & Experience

- Strong & Competent Welder/Fabricator
- You will be required to pass an Enhanced DBS check, of which the company will pay.
- Ability to work effectively and use own initiative
- Ability to lead and manage and train others to achieve desired results
- Fully conversant with welding, fabrication and ability to read engineering drawings.
